1963 WINTER WHITE SALE

The snow and cold getting you down? Jack Frost all around? Not so here in Hawaii and our plants are growing like mad. So much so that we have to move some of them out to make room for others coming on.

There is nothing fancy about this list--just down to earth sale prices and a list of very rare hard to get items. January and February are always slow months for us because you, our customers, are afraid to order plants during cold weather. We are not afraid to ship them! We do so with a Guarantee of Safe Delivery! If anything goes wrong, just let us know and they will be replaced. You are fully protected and you can't imagine what a thrill and up lift these tough hard grown plants will give you if you are bored with winter. Be brave, send in a trial order, you have nothing to lose, and a lot to gain!

CATTLEYA - YELLOW CROSSES

3WS11	3"	C. Bertii x L. Xanthina	3.25
3WS12	1½"	Lc. Alma x C. Dowiana	1.25
